Introduction

The main aim of the Course is to refresh and qualify you with a Licensed Award in Physical Restraint & Breakaway Techniques Instruction, making you a professionally qualified Physical Intervention Instructor with a licensed certificate issued by a UK leading specialists in conflict risk management and personal safety training consultancy. This course also offers updated and advanced technical training from very low level and least intrusive interventions, suitable for staff who may have to deal with vulnerable young people or vulnerable adults, through to the more restrictive level holds required for staff who have to deal with a much higher degree of challenging behavior or more aggressive and violent behavior.

Course Outline

1. Refresh the Laws Govern the Use of Physical Force for Restraint
2. Refresh the techniques of Least Restrictive / Non-harmful Methods of Control / High level intervention / Breakaway Techniques
3. Update you with the humanistic approaches and advanced technical skills on managing low level intensity of challenging / violent behavior
4. The Use of Safety Pods
